**Principals Report**

**Education Week**
What an exciting week we have had here at Hume. On Tuesday we welcomed parents/carers and grandparents to view the wonderful teaching and learning that occurs every day at our school and to join in afterwards at a school community sausage sizzle. It was fantastic to see our Junior and Senior Dance Troupes and Choir performing at Lavington Square as part of the Northern Spirit Community Showcase. Thank you to Miss Dolahenty, Miss Thompson and Mrs Sawyer for preparing all our students involved in this performance.

**Staffing**
I would like to welcome Mrs Lourdes Sehm to our school for the next 3 1/2 weeks replacing Mrs Teagan Sawyer who is on leave.

**Extra-Curricular Student Activities at Hume**
We are continuing to offer opportunities for our students to participate in various extra-curricular activities. These activities are organised and run by teaching staff and are additional to normal school responsibilities. Our students are currently involved in:
- Dance Troupe – Miss Dolahenty
- Choir – Mrs Sawyer
- Keyboard – Miss Thompson
- Active After School Care – Mrs Poidevin

**P&C**
The month’s meeting is being held on Monday, 4th August at 9:15 in the staffroom. All parents are welcome to come along and play an active role in our school.

**CSU Students**
Mr Nick Goode, a 4th Year Charles Sturt University (CSU) student who has a 5 week placement with 2/3MA, is in his third week of his placement and has become a welcome addition to our teaching staff.

**Winter PSSA**
Our soccer PSSA teams have been competing in the Albury PSSA winter competition. These students are fantastic representatives of our school. Their coach, Mr Mansell is having a training session every Thursday during 3rd break to develop their skills and confidence. This week our students play at Glen Park and games approximately start at 1:30pm. All parents/carers welcome to come and watch.

**NSW Premier’s Primary School Sport Challenge 2014**
Starting next week Hume School students will be involved in this wonderful program. The main aim is to engage all our students in sport and physical activity and encourage them to lead healthy, active lifestyles. Opportunities for students to be physically active could include:
- Playground games
- Organised school sport
- Outdoor recreation programs
- Dance
- Community sport and recreation activities
- Incidental activity, such as helping wash the car, walking the dog etc.

Learning Journeys
Week 10– Wednesday 17th September, 2014
9am-11am

Dear Parents/Carers,
Please join us for Learning Journeys. If you are unavailable to attend it would be great if you could invite another significant person in your child’s life to share their learning. This is an opportunity to have a learning conversation with your child. All children love having their parents/carers/special guest/grandparent visit their classrooms.
All students will be writing a special invitation to you.
We are looking forward to seeing you.

Junior Soccer Report

Last Friday, we played an excellent game, we won 7-1, the sport award goes to Connor Brown and Larissa Brown. I’d like to thank Leticia for being a great coach and team for playing an excellent game.

Senior Soccer Report

The whistle blew and the game begun. We were hungry for a win. Hume vs Table Top it was like a war. We had feet flicking mud up and parents cheering us on I felt proud to play for Hume and I’m sure the rest of the team did to. At the end of the game it was Hume Public 6 Table Top 2 we cheered for Table Top and shook their hands it was a great win.

Crazy Hair Day

Thanks everyone who supported our Crazy Hair day for Cystic Fibrosis we raised $144.50 Great effort and a fun day.
Performance at Lavington Square for Education Week

**SunSmart Snippet**

**The simplest way to get your vitamin D!**

*Did you know?*
- Our bodies make vitamin D when skin is exposed to sunlight.
- We need vitamin D as well as calcium to maintain good health, in particular to keep our bones and muscles strong and healthy.
- Always use sun protection when UV levels are 3 and above.

*Does sunscreen stop vitamin D?*
- Sunscreen filters out most but not all UV radiation.
- People who use sunscreen regularly when UV levels are 3 and above, don’t have lower vitamin D levels than people who do not use sunscreen.
