NAPLAN

I would like to make a very special mention this week to our Year 3 and 5 students who have completed the NAPLAN testing in Language Conventions, and Writing, Reading and Numeracy for 2015. These tests can be very daunting for students and I am always extremely proud of the efforts our students display when tackling them. I am always so impressed to walk into the testing classrooms to watch the maturity of our students during these times.

While these tests are important and provide both parents and school with an assessment of student achievement they are only a small part of assessing the development and growth of a child.

Congratulations to all our NAPLAN achievers this week. I am very proud of your efforts.

Winter

Well winter arrived early this week! The mornings have begun to get colder and the temperature outside means we are all rugging up to keep warm. This week we moved our Monday morning assembly into the hall so our students do not have to sit in the cold. All parents are welcome to join us.

We continue to remind all students to take responsibility for their belongings and ensure that jumpers have their name written inside.

Performance and Development Framework

Last week, school principals and NSW Teachers’ Federation Representatives from each school were called to a training day to introduce the new Performance and Development Framework. Mrs Teagan Sawyer and I joined representatives from a large number of schools to be in-serviced in this new framework.

All teachers have a right to be supported in their professional learning, as well as a responsibility to be involved in performance and development processes that facilitate their professional growth and the provision of quality teaching and learning, consistent with the NSW Department of Education and Communities’ policies, aims and strategic directions and school plan. The overarching purpose of the performance and development process is to support the ongoing improvement of student outcomes through continuous development of a skilled, effective and professional teaching workforce.

Nonviolent Crisis Intervention - NCI Training

This week all Hume staff have been involved in two after hour sessions receiving training in NCI strategies. Nonviolent Crisis Intervention training is a safe, non-harmful behaviour management system designed to help people who work in human services employment provide the best possible care, safety, welfare and security of individuals during challenging situations. This training aims at assisting staff in identifying levels of behaviour that contribute to the development of a crisis and choose an appropriate staff intervention for each level.

District Athletics

47 Hume athletes will represent our school on Friday at the Albury Zone Athletics carnival. Students will compete in track and field events and test themselves against students from other Albury schools.

Mr Mansell and Miss Dolahenty will be taking the team to the Albury Athletics centre for the day. Good luck to our athletes.

Positive Behaviour Learning - PBL Colour Day

Congratulations to all students for achieving the PBL reward level of a Colour Day. On Tuesday all students are invited to wear PBL coloured clothes. The colours are GREEN, ORANGE and/or PURPLE. This achievement recognises the ongoing demonstration of core values of Respect, Responsibility and Achievement.

As part of this reward staff will be serving hot Milo before school to all students.

Farewell

This week we farewell Ms Kirstyn Ohst. Kirstyn has been supporting Mrs Rossiter and our students in the Early Intervention Unit for the past year. We have been very fortunate to have Kirstyn as part of our school team and we wish her all the best with her move.

Welcome

Congratulations to Mrs Rhiannon Watson and her husband Adrian as they welcomed the safe arrival of Olivia May, born on Mothers’ Day.

### FAMILY COMMUNICATION

Sadly sometimes relationships break down and the court makes orders that change the contact parents can have with their children or the role they play in making decisions about their children’s education. These can be Family Court Orders or Apprehended Violence Orders.

If this happens it is important that you provide the school with a copy of any court orders that could impact on your child’s education.

In the absence of any notification to the contrary, the school will assume that both parents continue to retain a shared and equal parental responsibility for their children and should be involved in making any decisions regarding their children’s education.

This means that the school will recognise that each parent has equal duties, obligations, responsibilities and opportunities in relation to matters involving the school.

If any changes occur in your family relationships which have the potential to impact on the relationship between the school and your family, please advise the school immediately and provide a copy of any court orders that may be obtained.

These orders will be stored securely and only accessed by staff who need to see them in order to plan for your children’s learning and support and related issues.
Age Champions Athletics and Cross Country

During last Friday’s assembly students who excelled at Athletics and Cross Country were presented with their Age Champion ribbons and medallions. House Captains were also presented with the winning shields for each carnival. Good luck to those students representing our school at the Zone Athletics carnival tomorrow, 15th May.
