National Recognition Week for all School Administration and Support Staff

Last week was National Recognition Week of School Administration and Support (SAS) staff. We recognized our support workers with a morning tea and included a photo in last week’s newsletter. I would like to make special mention though of these wonderful people who work in our school to assist with the learning of our students. As modern schools step to the challenges of educating students in this century and the demands of an ever changing world, SAS Staff are the backbone of great work being done.

SAS Staff include:
- School Administrative Managers
- School Administration Officers
- School Learning Support Officers
- School Learning Support Officers – Pre-school
- Aboriginal Education Officers
- General Assistants

I would like to thank all our dedicated SAS staff for the work they do each day at our school.

Principal Essential Training

Over the past two days I have attended the Albury and Deniliquin Network Meeting. This training offers principals the opportunity to receive training around important policy and reforms. It also allows for sharing of ideas and best practice. Topics of this meeting included:
- The Wellbeing Framework for Schools - Supporting Wellbeing in Schools
- Performance and Development Plans
- School Planning and Milestones
- Australian Professional Teaching Standards
- Performance and Conduct Management
- Resource Allocation Model and School Funding

School Carpark

The upkeep of the carpark is done by the school and all cost associated with maintaining it come directly from the school budget. Keeping the carpark surface level is difficult in continued wet weather. We have made significant improvements to the surface and drainage however as it is an unsealed surface it will breakdown with heavy use.

All families are asked to drive slowly in the car park and park only in designated areas. Please recognise that the grassed areas are not for parking. Parking and driving on these areas causes significant damage. If there are no parking spots available during busy times there are also many parking options along surrounding streets.

Hume Preschool

Hume Preschool will continue to offer sessions for two groups of 20 students in 2016. Operating days and hours will be:

**Adventurers**
- Monday: 9:00 – 3:00pm
- Tuesday: 9:00 – 3:00pm
- Wednesday: 9:00 – 11:30am

**Explorers**
- Thursday: 9:00 – 3:00pm
- Friday: 9:00 – 3:00pm
- Wednesday: 12:30 – 3:00pm

Vacancies now exist for these sessions. If you or someone you know has a preschool aged child please contact the school office.

Learning Journeys

Our highly successful Learning Journey will be held next week for our students and family. Learning Journeys have one common goal – to share in the learning of their child. Teaching and Learning is what drives us at Hume every day to focus on making a difference to each and every child. This means knowing the child, knowing how the child learns, knowing where the child is at and knowing where to take the child to. The learning process is a shared one. To be most effective it relies on the strong relationship between school and home. We look forward to seeing you on Tuesday - we have plenty to share.

**Countdown to Kindergarten News**

This week we read the story ‘Finding Monkey Moon’. This story is about a special night time journey to locate a lost toy. Then we made some Monkey Moon masks.

Then we went over to the classroom to do some activities.
Learning Journeys
Term 3
